

Teacher's Day

On 5th Sept'19, students of the junior batches of MBA (Day) and MHRM had jointly organized a program for the highly intellectual and loving faculty of IISWBM on the occasion of Teacher's Day. It was a full-day event with plethora of diverse performances, thanking our teachers for their love, support, selfless hard work and contribution in every student's development and personality enrichment. The event was inaugurated by the Director, Shri Dipankar Kumar Dasgupta, HoD of MBA, Dr. Tanima Ray, HoD of MHRM, Prof. Sumati Ray and other eminent professors through lightening of lamp followed by the cake cutting ceremony.

It was a fun filled event where the Senior CRs of both departments gave a thank you speech. The students showcased dance performances on the Shiv Tandav Strotam, and other classical dances, sang Rabindra Sangeet, old Hindi and English songs and recited the poems 'Abhar', written by Shivmangal Singh Suman and 'MeghBalika', written by Joy Goswami. Lastly, the event ended with upbeat contemporary songs, cheers from the crowd and beautiful photography sessions with beloved teachers and our peers. It was a memorable day with hope that we could reciprocate even a small share of the endless contribution that all the professors make in our daily life, shaping our dreams and preparing us as future leaders.
